M. Jurjević, S. Hess: The Operational Planning Model of Transshipment Processes in the Port

S. Samiee, S. Azadi, R. Kazemi: A Review of

Towards a Decision-Making Model for

Automated Traffic Management in

Transportation

Dear colleagues,

Please, share your knowledge about the results and achievements of your research in the area of technical sciences, field of traffic and transport technology with others and submit your paper for publishing in the journal Promet - Traffic&Transportation.

Let us also invite you to cooperate with the journal Editorial Board in order to provide information on the research of your colleagues by publishing papers and by face-to-face information.

The Journal Promet - Traffic&Transportation was founded in 1989 at the Faculty of Traffic and Transport Sciences. Up to now, more than 1200 papers have been published. The published works have been internationally reviewed and represent a significant contribution to the scientific study on traffic. The Journal is cited in relevant databases in the area of technical sciences.
